Sumitomo Electric Fusion Splicers in Kurdistan, North Iraq

To whom it may concern,

Hevek Company of 288, Pank City Bahrka Road , Ainkawa, Erbil, Iraq is currently the sole authorised distributor for Sumitomo Optical fibre Fusion splicer range and related accessories for the Kurdistan Region of Northern Iraq.

Purchasing from unauthorised distributors may risk: quality and software issues. It could also result in invalid warranty and no technical support. Please refer to Sumitomo Electric's parallel import policy statement on our global website.
